by appointment only

May 1, Friday

8:15 Chapel
Falcon Friday - Western
Costume Challenge

May 21, Thursday

Virtual Science Fair

Announcements

Congratulations: Congratulations to Gillian who won the Falcon Friday Zoom background contest and Tula who won the Trivia Challenge. Both will receive a \$7 food item of their choice delivered to them.

Campus Hours: If you need to pick things up or drop things off, our campus will be open by appointment-only on Monday and Thursday from 10:00-3:00. Note that this week is different than the normal days of Tuesday and Thursday.

Special Music: For the last few weeks of school we would like to invite student volunteers to play a special music for chapel or Monday Assembly. Students that are interested in presenting a special music, please let your teacher know so you can be assigned time. We are looking forward to hearing from you.

Volunteer Opportunities: Our beautiful campus is alive and green this time of year, and we could use some help maintaining our landscaping! If you would like some energizing physical activity in the sunshine while helping our school, volunteer to help out. To ensure we maintain social distancing, please reserve a time on-campus at lvaes.org/covid-19

Baybarz Scholarship: The school has received notification from the Southern California Conference that the deadline for the Baybarz scholarship applications has been extended to May 1. If you didn't get around to filling out or submitting the paperwork to us before, this is your opportunity. If you

already applied for the Baybarz scholarship, you should have received a notification from the principal saying your application was submitted to the SCC. If you did not receive this email, it is quite likely that there was an error in the processing of your paperwork. Please contact me right away. Contact info: principal@lvaes.org.

Science Fair: Our virtual science fair for grades 3-8 will be on May 21. We will be using Padlet as our virtual platform. Please [view this tutorial](#) to understand the basic concept for how this will work.

Constituency Meeting: We held our annual constituency meeting last Thursday. If you missed it, you can view the recording [via this link](#) or on our Facebook page.

Zoom Appointment Calendars: We have created a Zoom appointment calendar with all of the pre-scheduled class meeting times and access information in one convenient place. The goal is to help you be able to plan your

schedule. However, there will be times when it becomes apparent that an unplanned Zoom meeting will need to be added, and teachers will update you accordingly. You can view the calendar at lvaes.org/meetings.

Graduations: It is our desire and commitment to celebrate our kindergarten and eighth-grade students with meaningful and in-person ceremonies. We cannot fully plan the when and the where of these events until we know more about what the future holds, but please know that this is what we are working towards.

Principal's Note

Well, the Coronavirus and the stay-at-home orders continue, just as they did last week. And what also remains the same is the fact that we need support and encouragement. I know we have our church communities, but Linda Vista is a family too, and we need each other. If you have any praises or prayer requests, please share them with me, and I will share them with the school family.

Prayer Request

Adrian's mother and sister have been diagnosed with COVID-19, and his mother is not doing well. Prayers are greatly needed.

Praise

-The Hernandez family just welcomed a baby girl into their family last week! We all know that taking care of a newborn is rough, so let's help take the burden off by providing them with meals for a few weeks. If you'd like to take part in this, sign up here: <https://www.TakeThemAMeal.com/GNXM7900>
