Announcements

Our Mrs. Blech - Mrs. Blech will be locating to Idaho next year, and we are incredibly sad to see her go. She has been a foundational part of Linda Vista for more than 25 years and has impacted the lives of countless numbers of Falcons. We pray a blessing on her family and on Linda Vista in this transition, and we are thankful to know that God is guiding both her and our school. We will keep you updated in our search to find an excellent teacher to take her spot.

Virtual Parent Teacher Conferences - The end of third quarter is **Friday, March 12**. Third-quarter grades will be both mailed and emailed on **Tuesday, March 30**. We will be holding **virtual parent teacher conferences** from **8:30-12:30 on Friday, April 2**, if you would like to discuss your child's progress. These conferences are optional. Please use this link sign up: <https://www.signupgenius.com/go/8050548ACA82AA3F49-parent2>

History Museum - Close your eyes and visualize a room filled with museum exhibits that YOU have created: "It's opening night, and you are an amazing museum exhibit ready to come to life for your visitors. Everyone is impressed. People walk from your exhibit saying things like, 'Awesome,' 'Interesting,' 'I didn't know that.' Take a minute and try to imagine what those visitors see. Now open your eyes! Are you ready? Let's open up the Night At The Museum! The event will take place on **Thursday, April 15**. Visit lvaes.org/museum for more information and to upload your child's video.

Work Bee - Work Bee success! Thank you Falcon parents for helping LVAES last Sunday. You helped with trimming trees, bushes, as well as many other projects. Thank you so much! Next Work Bee is **April 25**.

Roof Update - The roof on our 7th/8th grade building was badly damaged in the windstorm a few weeks ago. The insurance has agreed to replace the roof, which is an incredible blessing. If things go according to schedule, we should have a brand new roof upon our return from spring break.

NPAAC Academy Day Reminder - Our 7th and 8th grade students are invited to attend Newbury Park Adventist Academy's promotional event on **Sunday, March 7**, from 2:00-4:00. Visit mynpaa.com for more information.

8th Grade Dedication Reminder - We are putting together the yearbook! To help honor our eighth graders, we are dedicating 1/3 of a page in the

yearbook to each graduate. Parents need to submit one or two photos of their child and a short congratulatory message of about 100 words or less. [This is a free service, and it is really important that every graduate is included.](#) You are welcome to purchase more space in the yearbook if you would like to design your own dedication, in addition to the free standard 1/3 page. The rates are as follows: Full page - \$100, Half page - \$60. All dedications are due **Monday, March 15**. Please upload your photos, message, and/or self-designed dedication to the "[8th Grade Dedications](#)" link at lvaes.org/yearbook.

Baybarz Scholarship - The Baybarz Scholarship is a scholarship program offered through the Pacific Union of Seventh-Day Adventists to help make Adventist education affordable. Baybarz Scholarship has a new process this year and is an online-only application. Scholarships will no longer be submitted on paper. The online application can be accessed by following this link: <https://pacuniongrants.smapply.io>. The deadline for LVAES students is **May 1**, which will give us the ability to fix any applications that may be incomplete. If tuition assistance would be helpful, please begin the application process now!

Flex Friday - Now that Ventura County has been removed from the regional stay-at-home order, fifth-eighth grades have resumed our weekly Flex Friday activities that are designed to meet the needs of the whole child.

COVID Safety Plan Updated: We have updated our CSP, and you may view the plan at lvaes.org/covid-19. The changes can be summarized as follows:

1. Masks are now required during outside exercise, including during all PE activities.
2. The CDPH no longer recommends frequent sanitization of classroom surfaces throughout the day. We will continue to emphasize regular hand washing.
3. Although our in-person classrooms do not have more than 14 students per classroom, we have removed the 14 student per classroom maximum. Desks will still be spaced at least six-feet apart.

Falcon Prayer Team on WhatsApp: Thank you so much to Emily Fernandez for leading our parent prayer team. The team used to meet via Zoom but will be moving to the WhatsApp platform to make it easier for busy parents to take part. If you'd like to participate, [please text Emily at \(805\)816-8428](#).

Robotics Competition - Despite COVID, our robotics team will still be competing this year. Please note that the competition date has been moved to **April 18**.

MBA Music Festival- CANCELLED

Yearbook Photos Needed: This year more than ever, we need your photos to help create a dynamic yearbook that captures our children's experiences. Photos that we need include distance learning, class events, Flex Friday meetup opportunities, Jogathon, Spirit Days, and general photos of your child and friends. Please share your photos with us at lvaes.org/yearbook.
